Mihir Garh – Rajasthan’s Best-Kept Desert Secret (Oct–March)

Far from the well-trodden paths of Rajasthan lies Mihir Garh, a boutique desert retreat where luxury whispers, not shouts. From horseback rides on regal Marwari steeds to learning heirloom Rajasthani recipes from a noble family, every moment here is deeply rooted in authenticity.

Guests dine under mashaal-lit skies with folk melodies in the air, soak in private plunge pools or Jacuzzis, and wake up to birdcalls in one of India’s top birding regions. Ideal from October to March, Mihir Garh is where slow travel meets soulful indulgence—crafted for those who seek the extraordinary.
